Changes to the Fighter Registration process

We have decided to migrate the registration process for our monthly amateur competition to an online platform called SmoothComp. While there is an initial set up required, we believe this change will improve the efficiency of the registration process and improve the experience for fighters and Trainers. It will also enable our matching process to speed up as well.

Please follow the instructions below to set up your relevant profiles on SmoothComp and if you have any questions at all please get in touch with one of our Board members, Bridget Thakrar via email at bridget@muaythavictoria.org.au.

How to create a Fighter profile in SmoothComp

1. Head to the SmoothComp website www.smoothcomp.com
2. Click "Create account" in the top bar:

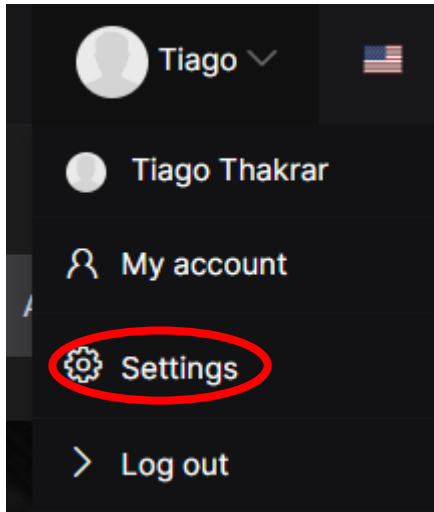

3. Fill in the details as requested: name, email, password and click create account. You will then receive an email from SmoothComp which you need to click on in order to confirm your account.

The image shows a registration form on a dark background. At the top, there are two buttons: "Log in" and "Create account". Below these are input fields for "First name" and "Last name", followed by "Email" and "Confirm email". There are also fields for "Password" and "Confirm password". At the bottom of the form, there is a checkbox labeled "I'm not a robot" next to a reCAPTCHA logo and links for "Privacy" and "Terms". A green "Create account" button is positioned at the bottom of the form.

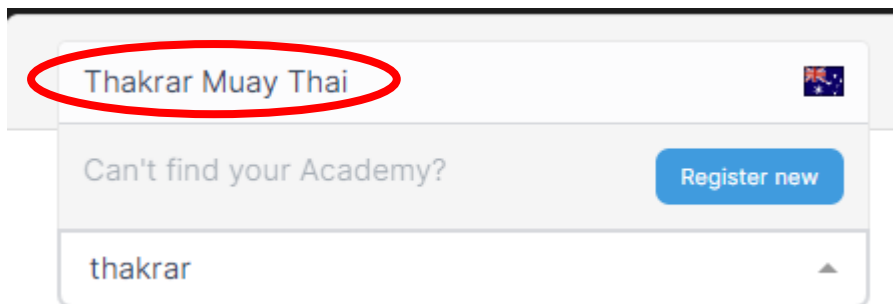

4. Head back to www.smoothcomp.com, click the blue "Log in" button at the top, enter your email and your new password and hit "Log in"

The image shows the SmoothComp website's login page. The top navigation bar includes the SmoothComp logo, "Events", "About" with a dropdown arrow, "Community" with a dropdown arrow, and "Log in" and "Create account" buttons. Below the navigation bar, there are "Log in" and "Create account" buttons. The main content area features a dark grey box with a white "Email" input field, a password input field with masked characters (dots), and a blue "Log in" button.

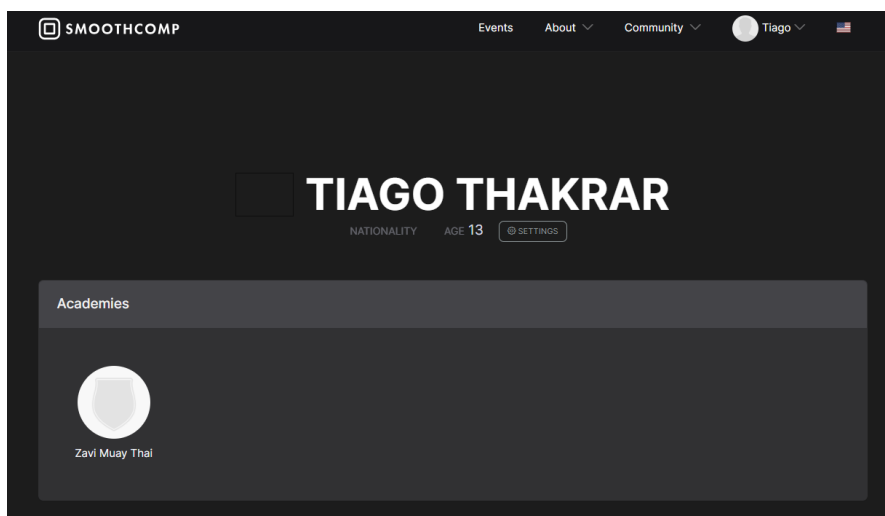

5. Now you have a SmoothComp profile set up for you as a fighter, the next step is to become a member of your Gym. Note: Your gym must already have a gym profile set up within SmoothComp. If they don't, please get in touch with your coach as they need to have their Gym set up as a registered Muay Thai Victoria Gym in order for you to compete in MVI events. To join your Gym, head to the top right corner of the page, and click the small down arrow next to your name, and click on "Settings"

From the “Profile Settings” page, you can scroll down to the “Join academy” section and under “Academy/Club” click the down arrow in the search bar and type in your gym name and once it appears, click on it to select it. Your Gym manager will need to go to their “member” section to approve your request to join their gym.

6. Now when you click the drop-down box next to your name, and then click on your name, you will see your profile and underneath you will see your “Academy” which is the Gym or Gyms you are registered with.

7. The final step we need you to do is register with Muay Thai Victoria to enable you to register for future amateur shows. Note, if you have already registered and paid you do not need to complete this step as all your information will be imported into SmoothComp for you.

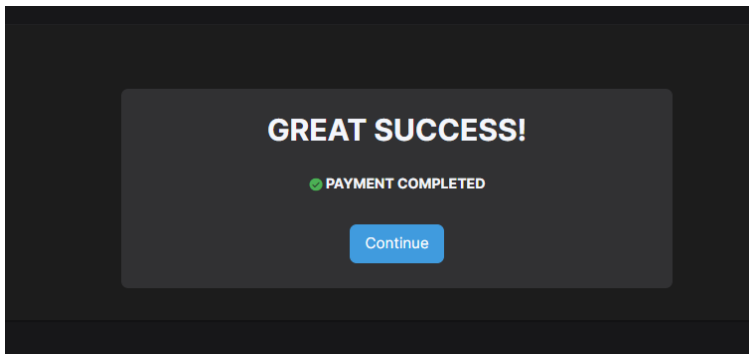

While you are logged in with your SmoothComp account, go to <https://muaythaivictoria.smoothcomp.com> and click on “Membership” and then “Athletes” from the drop-down box.

8. Here you will have two options. If you have never fought on Muay Thai Victoria before, select “New Membership” as this fee includes your uniform. If you have fought on MVI before and are just renewing your membership, select “Membership Annual Renewal” and note this fee does not include uniform.

A screenshot of the Muay Thai Victoria website's membership page. The page features a dark background with white text. At the top left is the MVI logo. At the top right are navigation links for 'Home', 'Events', and 'Membership'. The main content is divided into two columns. The left column is titled 'MEMBERSHIP ANNUAL RENEWAL' and shows a price of '\$55 AUD / year'. Below this, it states 'Renewal after first year, does not include uniform.' The right column is titled 'NEW MEMBERSHIP' and shows a price of '\$110 AUD' with the note 'One time fee'. Below this, it states 'Annual Membership for competitors for Muaythai Victoria Incorporated for the first year. Includes official MVI Muaythai shorts and Blue / Red official competition singlets.'

9. Follow through the credit card payment process and you will see a message like the following when you have completed this process

Once you have completed these steps, your Coach/Trainer will be able to nominate you for future Mua Thai Victoria amateur events.
